

JURY IN FOSTER CASE UNABLE TO REACH AGREEMENT

Deliberated for Nearly
Two Days—Hope-
lessly Deadlocked

(By The Associated Press)
ST. JOSEPH, Mich., April 5.—
Hopelessly deadlocked after 31 1/2
hours' deliberation, the jury trying
William Z. Foster, of Chicago,
for alleged violation of the Michi-
gan law against criminal syndi-
cates, was discharged by Judge
Charles White, at 5 o'clock this
evening.

The jurors stood 6 to 6 from the
very start, taking 38 ballots
without changing a vote.
Five men and one woman voted
for Foster's acquittal and six
men for his conviction.

Foster was the first to face
trial of the 32 men and women
arrested as a result of the raid
on the convention of the Commu-
nist Party of America, held in the
lonely dune country here last Aug-
ust.

Charles E. Ruthenberg, one of
his co-defendants, will be placed
on trial a week from next Mon-
day.
The Berrien county circuit
court room was almost deserted
when Judge White called the jury
in and asked the foreman, Calvin
Bachman, if there was any chance
of reaching a verdict.

"I am afraid not," Bachman
said. "We have not changed
since the first ballot."
Only Foster and his wife and
attorneys were seated at the law-
yer's table. The prosecution had
abandoned the vigil which started
at 9:45 A. M., yesterday.

After the court discharged the
jurors some of those who voted
for acquittal explained the reason
for the hopeless deadlock.
"We six were convinced from the
start that the state had failed
to make a case against Foster,"
Russell Durm, a grocer's
clerk explained. "We don't feel
that the evidence showed Foster
had committed any crime in at-
tending the convention and we so
voted."

Miss Minerva Olson, only woman
on the jury and one of the lead-
ers in the group favoring acquit-
tal, declined to comment on the
jury's deliberations.
The other four who voted for
Foster were Patsy Healy, Clem-
ent H. Ritzler, Theodore Katz-
bach and A. M. Birdsey, all farm-
ers.

The six favoring convictions were
Calvin Bachman, the fore-
man; Arthur Barker, A. J. Jack-
son, Vivian G. Ingals and Dwight
Babcock, all farmers and Theodore
Drier, a crossing watchman.
Foster accepted the jury's fail-
ure to arrive as a victory. "It
is remarkable," he told
newspapermen, "that six people
who were naturally prejudiced
against revolutions and violence
and all the things the state talked
about, here, for days could
keep their conviction that a case
had not been made and hold out
for two days for their convictions."

Whether the case will be re-
tried probably will not be decided
until after the Ruthenberg trial
which starts April 16.

Frank P. Walsh, of New York
and Washington, chief of counsel
for Foster and the defendants
waiting trial, issued a statement
complimenting the judge and
jurors.

**HARDING TO BE
AT DESK MONDAY**

(By The Associated Press)
AUGUSTA, Ga., April 5.—
President Harding will be back at
his desk in the white house next
Monday. Announcement was
made today by Secretary
Christian that the chief ex-
ecutive and Mrs. Harding had
decided to conclude their vaca-
tion in the south Saturday and
the presidential party would leave
Augusta Saturday evening, and
arrive in Washington about mid-
day Sunday.

This means that Mr. Harding
has declined invitations to visit
several cities between Augusta
and Washington. The president
was said to feel that as a number
of matters are pressing for at-
tention he could not extend his
absence from the capital longer.
He has been just a month since he
left Washington.

**ROCK ISLAND
OFFICIAL RESIGNS**

Chicago, April 5.—T. H. Beac-
on, vice-president in charge of
operations of the Chicago, Rock
Island & Pacific railway, has re-
signed, effective March 31. Rock
Island officials announced here
today. He has been succeeded in
the operating department by L.
C. Fritch, formerly vice-president
in charge of construction, main-
tenance and capital expenditures.

**CHICAGO CITY COUNCIL
PASSES ZONING ORDINANCE**

Chicago, April 5.—The city
council at its last meeting before
the new aldermen-elect under
Chicago's new fifty ward-plan
take office, today passed the zon-
ing ordinance, limiting the kind
of buildings to be constructed in
different sections of the city.

FIREMAN KILLED AND TWO INJURED IN HOTEL FIRE

Famous Arlington at Hot
Springs Destroyed
By Fire

(By The Associated Press)
HOT SPRINGS, Ark., April 5.—
One fireman was killed and two
other firemen were seriously hurt
last night when the walls of the
Arlington Hotel, noted for its
which was destroyed by fire late
today crumbled and fell upon
them as they were working in the
ruins with a hose line.

George Ford is the dead man.
John Wood suffered a broken leg
and Butler Brown was badly
crushed.

The Arlington Hotel was the
oldest hotel in Hot Springs
and one of the most noted in the
South. All guests, numbering
more than 300 escaped without
serious injury. The origin of the
fire has not been determined. The
loss was estimated at upward of
a million dollars.

In addition loss of personal ef-
fects including jewelry, money
and clothing of guests will amount
to a large sum. Most of the hotel
occupants were left with only the
personal property they wore when
the alarm was given.

The register of guests at the
Arlington include:
Mr. and Mrs. W. G. Gallagher,
and Mr. and Mrs. Lee Christian,
Owens, Michigan; Mrs. Joe T.
Robinson, wife of the United
States senate minority leader; Mr.
Hoffman, son of the sheriff of
Cook county, Illinois, and William
Pinkerton, head of the Pinkerton
Detective Agency.

**DOYLE SAYS THEORY
IS NOT UNTENABLE**

(By The Associated Press)
NEW YORK, April 5.—Did
avenging spirits cause the death
of Lord Carnarvon for disturbing
the tomb of Tutankhamun?
Sir Arthur Conan Doyle, exponent
of spiritualism, asserted today
that this was a means an unten-
able theory—a theory which dis-
patches from Carlo assert is held
by native Egyptians.

Joining hands with Marie Cor-
rell, the English novelist, Sir
Arthur said that the priest of
old Egypt knew much more of the
occult than we and that they
might have placed a spiritual
"elemental" in the tomb to strike
down the man who disturbed the
bones of their pharaoh.

But Egyptologists and scientists
said "insect bite" and nothing
more. They scoffed openly at the
idea of an avenging spirit remain-
ing faithful 3,000 years and Sir
Arthur himself was forced to ad-
mit that King Tut's spirit may be
far enough along not to care
"Tuppence what happens to his
bones."

**TURKS INCREASE
FOREIGN INCOME TAX**

(By The Associated Press)
CONSTANTINOPLE, April 5.—
A decree has been issued increas-
ing the income tax five fold, mak-
ing it applicable to all foreign-
ers regardless of length of stay
and retroactive to the date of
their arrival. The rate on earned
income is 25 per cent gross no
exemptions. Under the new law
this tax is payable six months in
advance.

The government stoutly main-
tains its right to enact retroactive
laws despite the protests of the
powers.

**WOULD BE WRECKERS
GIVEN HEAVY FINES**

Essen, April 5.—An attempt
to wreck the Essen-Paris Express
with dynamite was made last
night between Kettwig and Werd-
en. The express was proceed-
ing cautiously as usual in the
Ruhr district when the locomotive
struck a high explosive placed
on the track. No one was in-
jured.

General DeGoutte has fined
Kettwig for this act fifty million
marks and Warden twenty million
marks.

**GOVERNMENT WAS
DEFEATED YESTERDAY**

Stockholm, April 5.—The gov-
ernment, headed by Hjalmar
Branting, premier and foreign
minister was defeated in the
upper chamber of parliament to-
night by a vote of 76 against 69.

NEARLY HUNDRED WITNESSES MAKE DEFENSE ALIBIS

Two Prosecution Wit-
nesses Are Alibied
Into Jail

(By The Associated Press)
MARION, Ill., April 5.—The
defense in the second Herrin riots
trial rested its case today after
having called nearly a hundred
witnesses in all to testify to alibis
for the six defendants charged
with the murder of Antonia Mul-
kavitch, one of the twenty-two
non-union men slain during the
outbreak, final arguments were
expected to begin tomorrow.

Before resting the defense di-
rected all of its efforts toward es-
tablishing a complete alibi for
Hugh Willis, state executive
board member of the United Mine
Workers and one of the de-
fendants.

Testimony also was introduced
to show that Robert Tracy and
Otis Lawrence, witnesses for the
prosecution were in jail at the
time they claimed they had seen
the tragedy take place.

Tracy and Lawrence testified
they were working at the mine of
the Southern Illinois Coal com-
pany and described how the 48
workers and guards in the mine
were marched out by an armed
crowd after they had surrendered.

They said they had escaped
when the prisoners were lined up
before a barbed wire fence and
fourteen of them shot down.

Lawrence testified that he had
heard Otis Clark, a defendant
make a speech urging the killing
of the prisoners, that he had seen
James Brown, another defendant
with a gun and that he had heard
a man hailed as leader by the
crowd direct that the prisoners
be taken into a woods and slain.

Tracy pointed out Phillip Fon-
tainetta, a defendant as a man
who pulled his hair and Hugh
Willis as the leader who gave an
order to "kill all" the prisoners.

John Layman, deputy sheriff
of Williamson county, testified
today that he had seen both Law-
rence and Tracy in the Herrin
jail at about 10:30 o'clock the
morning of the slayings. Jake
Jones, a Herrin policeman, testi-
fied that the two had been
brought to the jail at about 9:30
o'clock the night before by three
other men he could not identify
who said they wanted the two
locked up for safe keeping.

Jones declared that he had
been informed that the two were
"scabs" who had come from the
mine where three union miners
had been slain that afternoon and
that they were danger of their
lives.

He said he locked them up as
they requested, gave them break-
fast the next morning and at noon
helped them to get safely out of
town. His story was corroborated
by Abe Hicks, a Herrin police
magistrate, who asserted he had
seen the two fugitives surrender
and had seen them the next day.

Robert Glenn, a former Herrin
water commissioner and now a
member of the miners' examining
board testified that he had seen
both Lawrence and Tracy in the
jail between 7 and 8 o'clock the
morning of the slayings and also
when they left about noon after
having been told to get out of
town quietly. Layman declared
that Willis was at the jail when
the two left and helped to get
them out of the city safely.

**CONCLUDED KLAN
EVIDENCE THURSDAY**

(By The Associated Press)
ATLANTA, Ga., April 5.—Tak-
ing of evidence in the hearing
on the court order requiring En-
lightenment of the Ku Klux Klan to
show cause why the injunction
brought by him and his faction
last Monday against W. H. Evans
imperial wizard and others, should
not be dismissed was concluded
in the superior court late today.

Judge E. W. Thomas adjourned
court until tomorrow after-
noon when arguments will be
made.

**ICE CREAM MAKERS
WANT LEGISLATION**

Chicago, April 5.—An appeal
to downstate ice cream manu-
facturers to support Chicago man-
ufacturers in having passed by
the legislature a bill providing
for a standard amount of at least
15 per cent cream in ice cream
was made by A. H. Jones, state
food commissioner for Illinois in
an address before ice cream man-
ufacturers here today. Chicago
manufacturers said that down-
state ice cream makers were op-
posing the measure.

**HEAD OF MEAT CUTTERS
TENDERS RESIGNATION**

East St. Louis, Ill., April 5.—
Cornelius J. Hayes, president of
the Amalgamated Meat Cutters
and Butcher Workmen of North
America late tonight announced
that he had resigned his position ef-
fective April 1, owing to not being
in harmony with other officials
of the union.

Patrick E. Gorman of Louisi-
ville, Ky., vice-president of the
organization succeeds to the pres-
idency.

Times Says Death Caused By Pneumonia

(By The Associated Press)
LONDON, April 5.—The Times
whose representatives have been
in close touch with Lord Car-
narvon throughout the Tutankhamun
explorations, print the following
account of the fatal illness from
its Cairo correspondent who says
that death resulted from pneu-
monia.

After the closing of the tomb
at the end of February, Carnarvon
and his daughter went for a
change to Assouan, and returned
to Luxor on March 6. Two days
later, while in the valley of the
kings Carnarvon was bitten on
the right cheek—it is believed by
a mosquito. He paid no attention
to the bite but in shaving scraped
of the scabs. The minute ex-
posed wound became infected
possibly by dust, more probably
by a fly, and a slight swelling
showed itself in one of the glands.

Medical aid was sought at Luxor,
and when he started for Cairo on
March 14, he was decidedly better.
At Cairo, however, he suddenly
became worse and on the 17th,
erysipelas and streptococci blood
poisoning of the head and neck
developed. As soon as the germ
had been identified and the
necessary culture made Lord
Carnarvon was subjected to a
serum injection which was
promptly effective.

His temperature, however, was
high for the next few days and
he was in great pain, as the in-
flammation affected the nasal
passages and the eyes.

He was in fact in a very serious
condition and Lady Carnarvon was
summoned from England and his
son, Lord Porchester, from India,
but by the time Lady Carnarvon
had arrived, on the 26th, the
poison had for all practical pur-
poses disappeared.

Unfortunately the next day
pneumonia of the right lung set
in and the patient's condition
again caused much anxiety. Again
he rallied and when Lord Por-
chester arrived on April 1, his
condition was quite hopeful. The
following day the left lung be-
came infected and the patient was
only kept going with oxygen and
stimulants, his condition got
steadily worse and on April 3
it seemed as tho he would not
live through the night. He made
another wonderful rally the next
morning his temperature dropped
and he seemed to have taken a
turn for the better and called for
a barber to shave him.

Throughout the day, the improve-
ment continued and everybody
went to bed in a frame of mind
as optimistic as the watchers had
been pessimistic twenty-four
hours before. About midnight he
was not so well. He again
seemed to pick up but about 2:30
o'clock he was seized with a
violent fit of coughing which
ended in much distress.

Medical aid was immediately at
hand but the heart could no
longer stand the strain and five
minutes later Carnarvon passed
away peacefully in the presence
of his family.

**RAIL EXECUTIVES
APPROVE SPENDING
\$1,540,000 IN 1923**

Issue Nationwide Appeal
for Co-Operation of
Shippers

(By The Associated Press)
NEW YORK, April 5.—The
American Railway association to-
day approved the expenditure by
its members of \$1,540,000 for
equipment, the biggest agree-
ment since the budget ever re-
ceived approval for co-operation in building
the roads thru the heaviest trans-
portation era in history.

Barber estimates on the unprece-
dented tonnage handled in re-
cent months the association's ex-
perts forecast the smashing of all
records in 1923, with at least
thirty-three weeks when car loadings
will exceed 1,000,000 a week and
estimated high mark of 1,350,000
tons, predicted for the week of
next October 29 at the height of
the fall crop movement.

Realizing that with existing
facilities, they were unprepared
for such a year, the railroads con-
tracted for \$440,000,000 worth of
new supplies in 1922 and \$1,000,-
000,000 more for 1923. They also
have speeded up shop repairs, re-
construction and maintenance of
way departments to the point
where they promise by fall to re-
duce the transportation of rail-
road coal and supplies to the
minimum and to have a high per-
centage of rolling stock available
for their customers.

**PECATONIA RIVER
IS ON RAMPAGE**

(By The Associated Press)
FREEPORT, Ill., April 5.—A
flood that has duplicated that of
1916 threatens towns and villages
in the valley of the Pecatonica
river from the Wisconsin line to
this city, tonight. At Winslow,
a village of 1500, the postoffice,
hotel, stores and many houses
were invaded by the flood and
children were taken to school in
boats.

At McConnel many basements
are flooded, the water having
risen to within fifteen inches of
the high water mark. At Free-
port the river has been rising
steadily for twenty-four hours.
Some lowlands are flooded and a
number of families have been
compelled to move out of their
homes, but there is no serious
damage as yet.

**WILL CONTINUE
EXCAVATION WORK**

Cairo, Egypt, April 5.—It is
understood that arrangements
with the Egyptian government
relative to excavations at Tutenk-
hamun's tomb will not be affected
by the death of the Earl of
Carnarvon. Apparently the con-
tract was made in the name of
Howard Carter, who was associat-
ed with Carnarvon in the work.

LOUISIANA TOWNS HAVE STARTED TO CHECK UP DAMAGE

Many Residences and
Buildings Wrecked
—Sixty Injured

(By The Associated Press)
ALEXANDRIA, La., April 5.—
Alexandria and Pineville today
began to take stock of the damage
caused by the tornado late Wed-
nesday which swept this city and
Pineville, across the Red River
from here taking a toll of thirteen
lives and injuring more than sixty
persons. A relief fund for the
homeless has been launched here
and the authorities were advised
that the Red Cross has forwarded
supply of tents, cots and blankets
for the destitute in Pineville.

Pineville and the section across
the river were hit hardest all of
the dead and injured being found
there. A check of the damage
showed that 142 buildings in this
vicinity were struck—20 in
Alexandria, 46 in Pineville, 24 in
the Ruby adjacent, fifty in Mil-
town and the gymnasium and
power plant at Louisiana College.

Dr. Marvin Cappel, parish
coroner, stated that three Red
Cross emergency stations has
been opened in Pineville. He
estimated the homeless at "almost
a thousand."

Reports were received here late
today of the destruction of ten
houses at Libuse, 13 miles east
of Alexandria, with the injury
of four persons. A half dozen
families there were reported in
need of assistance.

Chicago Board of Trade
Contributes \$10,000
for Purpose

(By The Associated Press)
PAWBUCK, Okla., April 5.—
Simple nods at heads or raising
of hands pledged the oil industry
today to pay to the Osage Indian
tribe \$8,029,100. The twenty-
five sales of leases on Osage lands
saw nearly fifteen times as much
money paid for ten leases in the
Burrhead field as was paid for
138 other leases sold. Four sales
netted more than a million dol-
lars each, the highest price being
paid by Waite Phillips, \$1,325,000
for a lease on 160 acres.

Bidding on the last which
finally brought the top price be-
gan at \$100,000 mounting by
hundreds of thousands until the
half million mark had been passed
by the Carter Oil company's
bids.

Retaliation was meted out to
Phillips on the next tract sold
when the Carter company took
it out of his hands after he had
forced the bidding to \$1,000,000
by bidding \$1,025,000.

One of the other million dol-
lar tracts sold went to the Gypsy
Oil company for \$1,195,000 and
the fourth went to the Phillips
Petroleum company controlled by
a brother of Waite Phillips for
\$1,005,000.

The ten tracts listed to be leas-
ed in the Burrhead field brought
\$7,577,000. Nine other tracts
near the field sold for \$49,600
and 129 leases located in the east
side of the county went for a
total of \$402,000. Sixty-seven
leases offered were not sold, the
minimum bid having been placed
at \$500.

**WANT WALLACE TO
FIGHT PACKER MERGER**

(By The Associated Press)
WASHINGTON, April 5.—
Secretary Wallace, who is on a
tour of inspection in the west
was urged in a telegram sent him
today by Benjamin C. Marsh, sec-
retary of the Peoples' Recon-
structive League to invite the
federal trade commission to co-
operate with him in fighting
the Armour-Morris merger "be-
fore the courts."

The message said that the pack-
er consolidation constituted a
"combination in restraint of
trade."

**RESIDENCE PROPERTY
PASSES TO NEW OWNER**

Mr. and Mrs. Cass Ham have
sold their residence property on
Pine street to C. C. Seif, who is

CHICAGO GREAT WESTERN TRAIN GOES INTO DITCH

Wreck Near Marshalltown,
Iowa, Injures Sever-
al Persons

(By The Associated Press)
MARSHALLTOWN, Iowa, April
5.—Chicago Great Western pas-
senger train No. 3 enroute from
Minneapolis to Kansas City, went
into the ditch three miles east of
here about 9:30 o'clock tonight.

The train was made up of three
coaches and sleepers and first re-
ports were that all the cars had
left the track and that one coach
was overturned.

A relief train from Marshall-
town with doctors and nurses was
started for the scene of the acci-
dent. Wires were down and
there was no communication with
the scene of the accident. It was
reported that the overturned car
was filled with delegates return-
ing from Waterloo, where the
Ladies Auxiliary of the Maccabees
had closed a state convention to-
day.

First word from the scene of
the wreck said that no one was
killed and that it was not believe
anyone was seriously hurt. Three
women who were in the over-
turned coach arrived here by auto-
mobile ahead of the relief train.
They were Mrs. D. A. Guster and
Mrs. A. Ives, both of Des Moines
and Mrs. Luther Ray of Marshall-
town. They had suffered minor
injuries but said they did not
think that anyone in the over-
turned car was seriously hurt.

A broken rail or a broken truck
was believed to have caused the
accident according to those at the
scene of the wreck.

**PURCHASE CONTROLLING
IN RADIO COMPANY**

(By The Associated Press)
NEW YORK, April 5.—Con-
tracts have been concluded for the
purchase of the controlling in-
terest in the DeForest Radio
Telephone & Telegraph company
by a group of Detroit and Chicago
automobile and banking interests.
Charles G. Gilbert, president of
the company announced today.

The purchasers include Edward
H. Jewett, of the Buick Motor Car
company, Frank W. Blair, presi-
dent of the Union Trust company,
of Detroit, A. C. Allen and Theo-
dore Luce, president and vice
president, respectively of the A.
C. Allen company, New York and
Chicago bankers, and William
Primes, inventor of the Priess
Radio circuit.

Mr. Gilbert said that as a re-
sult of the purchase of the com-
pany a material increase in the
cash capital and resources of De-
Forest company which would en-
able it to expand its field of op-
erations.

**HELPS TO RESCUE
ROOSEVELT PAINTINGS**

(By The Associated Press)
NEW YORK, April 5.—Mrs.
Theodore Roosevelt, widow of the
late ex-president, braved a fire
in the "Double R" coffee house
in West 44th street today to aid
restaurant attaches in rescuing
two oil paintings of her husband.

Mrs. Roosevelt was the only
one of fifty patrons in the place
who did not flee when fire broke
out in a coffee roaster under the
kitchen filling the restaurant with
smoke.

Calmly holding her place, she
directed the manager, Frank
Sardi and other employees to bring
canvases to place over the pic-
tures which were featured in the
restaurant so that the firemen
could not injure them when they
turned their hose lines on the
fire. The fire was extinguished
without damaging the portraits
and caused but little damage to
the kitchen to which it was con-
fined. Kermit Roosevelt, a son
is part owner of the establish-
ment.

GOVERNOR DEAD**

Long Beach, Calif., April 5.—
Herace Boies, twice Democratic
governor of Iowa and strong con-
tender for the presidential nomi-
nation at the Democratic nation-
al convention of 1896, died at
his home today.

Funeral services will be held
tomorrow afternoon at 2 o'clock,
after which the body will be
shipped to Mr. Boies' former home
at Waterloo, Iowa.

The former governor is sur-
vived by a son, Judge H. B. Boies
of Waterloo, and a daughter,
Mrs. Nellie Carson of Hemet,
Calif.

A THOUGHT
Many waters cannot quench love, neither can the floods drown it; if a man would give all the substance of his house for love, it would utterly be condemned.—Solomon 8:7.

The objects that we have known in better days are the main props that sustain the weight of our affections, and give us strength to await our future lot.—William Hazlitt.

So many alibis are being proven for men charged with murder in connection with the Herriot riots that one almost begins to wonder if the atrocities really occurred.

Statistics show that there were many more arrests for drunkenness in Washington, D. C., last year than was true in the year preceding. Here again statistics do not prove very much. Perhaps bootleg liquor is easier to buy than was true last year, and then again it is possible that a more strenuous effort is now being made to enforce the law than was the case previously.

No doubt a great many people have overlooked the fact that next Tuesday is the date of the Morgan county primary election. At that time Republicans will

choose between D. L. Bentley and J. E. Osborne, who is now a member of the county board. The Democratic candidate, John McDonald, is unopposed. With only one office to be filled it is difficult to arouse a great deal of enthusiasm. However, membership on the county board involves important duties and the people have a duty in selecting competent and capable board members. At any rate, the election is one which should not be ignored. A large vote next Tuesday will give proof that the people of the county are interested in their own affairs.

George Brennan, who was the successor of Roger Sullivan as the head of the Democratic political machine in Chicago, which scored such a signal victory in the recent election, is now being called the "philosopher in politics." Mr. Brennan is receiving all kinds of compliments because of the great majorities given his candidate. It is a good deal easier to be a philosopher after a success in a campaign than it is following a defeat. That's true in most everything else. It is the real philosopher who can meet with equanimity and poise all the ups and downs of life.

The next Jacksonville city election will occur Tuesday, April 17. At that time a mayor, clerk, treasurer and six aldermen will be chosen. While apathy has marked some city elections in Jacksonville, there are indications that there will be a really representative vote cast in the coming election. Mayor Crabtree reluctantly consented to be a candidate for reelection. To fill the office means personal sacrifice, but he finally agreed to carry the burden for another two years if the people want him. Under such conditions the majority candidate cannot be expected to conduct an active campaign for himself.

The affairs of Jacksonville have been directed during Mayor Crabtree's administrations in a way that has added very materially to this city's good name. It is up to the people to decide

whether or not they want a continuance of this service. There is just one way to definitely indicate such a wish and that is by casting a ballot in the election April 17.

YOUR DOUBLE

NEAR
Have you ever met your double? Somewhere, walking the earth at this very moment, is a person who is such an exact duplicate of you that, brought together, few could tell you apart.

Occasionally your attention is called to the Law of Duplicates, when newspapers discover and print pictures of the doubles of famous politicians, movie stars and so on.

You, of course, have had the experience of a stranger mistaking you for some one living at a distance. Sometimes the resemblance is so striking that the stranger thinks you are joshing when you inform him that he is mistaken.

The real you—that mysterious and undefinable inner something that includes thought and character and emotion—is never duplicated exactly, though occasionally each of us meets a person whose viewpoint is so strikingly similar to ours that it bewilders us.

An extraordinary case of mistaken identity was exposed the other day in England. Arthur Collins, arrested by Scotland Yard detectives on the charge of being an army deserter, was found to be the double of the man wanted. He even had the same name, lived on the same street, followed the same trade in civilian life, and joined the army on the same day. The fingerprints differ.

The "long arm of coincidence," in this case, operated to an extent never equaled in fiction, even "The Prisoner of Zenda."

We not only have living duplicates but we are duplicates of people who lived in the past. Old settlers have often observed this—how a boy and girl is almost an exact double of some ancestor of a few generations since.

Photography is a comparatively recent invention, so few of us can check back and find our double of long ago. In families where oil paintings have been preserved for several generations, the recurrence of "looks" is almost universally recognized.

It would be a great sport, to turn the clock back a few centuries and come face to face with the man or woman whose features, build and mannerisms have cropped out in us. Even more fascinating would be to turn the clock the other way and see the persons of the distant future who will be doubles of us who are living today.

This recurrence of doubles, generation after generation, probably is what started the oriental belief in reincarnation.

MRS. T. T. STOUT DIES IN LONG ISLAND, N. Y.

Former Resident Succumbs to Attack of Heart Disease—Was Born in This County.

Mrs. Theodore T. Stout, a resident of Morgan county and Jacksonville for many years, died at the home of her son, J. M. Stout, at Miller's Place, Long Island, N. Y., at 8:30 o'clock Monday evening, April 2.

News of her death was received by Major W. J. Dalton in a letter from J. M. Stout yesterday. Death came suddenly from an attack of heart disease.

Decent before her marriage was Miss Louise Henderson and was born in the vicinity of Liberty 78 years ago. She was married to T. T. Stout at Liberty, who survived. She also leaves two sons, John M. Stout and Theodore T. Stout, Jr. The latter is now touring with "Take It from Me," one of the recent stage successes. J. M. Stout is manager of Elsie, a New York success now having a long run at the Vanderbilt theater in New York City.

Mr. and Mrs. Stout made their home in the Liberty community for a number of years after their marriage. About thirty years ago they removed to Jacksonville where they resided until several years ago when they went to Miller's Place, Long Island, to make their home with their son, J. M. Stout, who has a summer home at that place.

Mrs. Stout was a woman whose kindly disposition made her many friends who will receive the news of her death with regret. Funeral services for Mrs. Stout were held at Miller's Place and the body was placed in a vault there. Mr. Stout writes that later it will be brought to Jacksonville for burial.

CARITAS LODGE 625 HOLDS INITIATION

Rebekah Degree Given to Two Candidates—A Social Hour and Refreshments Followed Business Session

Caritas Rebekah Lodge No. 625, I. O. O. F., held its regular meeting Thursday evening and conferred the Rebekah degree upon Mrs. Lelia Riggs and Mrs. Alma Peckham. The degree staff is directed by John A. McGlothlin and put on the work in fine shape.

After the degree was conferred the drill team under the leadership of Mrs. Myrtle Tandy, entertained the visitors and members with their drill work.

Mrs. Abbie P. Spillman presided at the piano both during the degree work and the drill. Friday, April 27th, was fixed upon as the time for holding the annual family supper. The committee appointed to have charge of the supper includes Mrs. Nellie Roberts, Mrs. Lottie Hatches and Mrs. Alice Barr.

Five applications were received and the candidates will be initiated at the next regular meeting, April 19th.

After the meeting closed, ice cream and cake were served by the social committee.

MATRIMONY

Mitchell-Wilson
The marriage of Thomas O. Wilson of this city and Miss Cora R. Wilson of Versailles was solemnized at 5 o'clock Thursday evening at the home of Mr. and Mrs. C. J. Wright, 227 South Mainvalster street. The marriage was performed by Rev. M. L. Pontius, pastor of Central Christian church, in the presence of a company of relatives and friends of the young people.

Following the ceremony the group went to the home of the groom's parents, Mr. and Mrs. Thomas Mitchell, 718 East Lafayette avenue, where a wedding dinner was served.

The bride is a daughter of Mr. and Mrs. Jed Wilson of Versailles. She has made her home in Jacksonville for some time past, and has been employed at the Capps mills. Mr. Wilson, as indicated, is a son of Mr. and Mrs. Thomas Wilson of this city. He is an employee of the Rothschild Clothing Co., and both he and his bride are well and favorably known in the community.

The guests at the wedding dinner were Mr. and Mrs. C. J. Wright, Miss Elizabeth Mitchell, a sister of the groom, Al Little, Mrs. Hosford, a sister of the bride residing in Versailles; Oren, Glenn and Nedra Wright. Mr. and Mrs. Wilson are to make their home in this city and have the best wishes of their many friends.

KIWANIS CLUB TO PLACE BIG SIGNS

Signboards 50 by 30 feet in dimensions, that will carry a message boosting Jacksonville at all hours of the day or night, are to be placed at the four main entrances to this city at the sides of the highways. The Kiwanis club is responsible for this big publicity move, and the signs are to be furnished by the P. W. Montgomery Co. The light for the night display will be furnished by the Jacksonville Railway and Light Co., at a low rate.

The signs will bear in large type, the following facts about the city:

- "Jacksonville, Illinois, Population 20,000.
- "One of the Finest and Most Progressive Cities in the United States.
- "Advantages:
 - "Unexcelled Park and Playgrounds.
 - "One of the Best Municipal Golf Courses in the Central States.
 - "Splendid New Municipal Swimming Pool.
 - "Unlimited supply of pure water.
 - "A live Chamber of Commerce Organization.
 - "Progressive Rotary and Kiwanis Clubs.
 - "A model Form of City Government.
 - "Its Educational Institutions make it known as the 'Athens of the West.'
 - "Under construction now and in the near future:
 - "\$400,000 New Hotel.
 - "New Building of Elliott State Bank.
 - "New Building of Farrell State Bank.
 - "Home Office Building of Cloverleaf Life and Casualty Co., and others."

State Senator Epler Mills, who was to have spoken at the meeting of the club yesterday, failed to arrive on account of the bad condition of the roads. His place was taken by Mrs. Margaret Palmer Forrester and Miss Florence Kirby of the Illinois Woman's college, who gave a splendid program of vocal and instrumental selections.

HAS RELATIVES IN PINEVILLE AREA

There was added interest in Jacksonville in the great storm at Pineville, La., from the fact that a number of relatives of Capt. H. B. Alsop of the Salvation Army are residents there. Capt. Alsop made an effort to secure information from the stricken town by wire but found that it was cut off from telegraphic communication.

BRADEN ENTERS PLEA OF GUILTY

Slayer of Garin and Lowe Surprises Court by Plea—Examination of Venetians Had Commenced.

Boardstown, April 5.—Ora T. Braden, who was placed on trial here the first of the week on the charge of murder, entered a plea of guilty when court opened this morning.

Braden shot and killed Clifford C. Garin and Jesse Lowe, two prominent citizens of Boardstown, on January 20. When the trial opened Monday he stood mute before the court when asked to plead. The court accordingly entered a plea of not guilty.

The plea of guilty was for the killing of both men and was made to the court by William Whitehead of Moline, Braden's attorney. Later the prisoner himself made the plea.

Judge Hedgecock warned the prisoner that the plea of guilty would not exempt him from the extreme penalty.

Braden's attorney also stated that his client was insane at the time of the slayings and is insane now. A commission was appointed by the court to examine Braden as to his sanity and reported that he was sane.

After the plea of Braden Judge Hedgecock recessed court until next Tuesday. It is thought that Braden's attorneys will argue the insanity plea to get Braden placed in the criminal insane or given a light sentence. The prosecution is prepared to make a hard fight against this.

FINAL EXAMINATION TO BE HELD TODAY

The final examinations in the schools of the county will be held today in accordance with the preparations made by County Superintendent H. L. Tascocellos. A Different Kind of Clothing for Discriminating Men

Our business requires us to keep in touch with all good lines of clothing. In our years of experience, we will say frankly we have never seen ready-to-wear clothes for men that could compare with Hickey-Freeman.

Hickey-Freeman Clothes surpass in fit and style, in woollens and workmanship, any other ready-to-wear clothes obtainable in the United States. They have a remarkable resemblance to the finest custom made garments, and no resemblance whatever to ordinary ready-mades.

You will find Hickey-Freeman Clothes on display in the finest men's shops on Fifth Avenue. Within the clothing trade they are frankly admitted to be without a peer.

We shall have more to say about Hickey-Freeman Clothes. We can never say enough. You can see them in the new Spring styles and fabrics, in our store today.

Jolly Workers of Baptist Church Meet

At a recent meeting of the Jolly Workers of First Baptist church, taught by Mrs. Amos Coker, plans were made for the giving of a play, "Brown Eyed Betty," in the near future. The class is now making a drive for new members and is making various plans for the activities of the coming months.

AD SOCIAL EVENTS

Amoma Class Members Had Party Yesterday
The March birthday party of Amoma class of First Baptist church was held Thursday afternoon at the home of Mrs. W. H. Wiseman on West North street. The hostesses of the afternoon were Mrs. M. M. Crum, Mrs. S. Maeher, Mrs. E. O. Hess and Miss Anna Kirk. The program of the afternoon included a group of songs by Mrs. E. O. Hess, accompanied by her daughter, Miss Fern. The afternoon was spent in a very pleasant manner and delicious refreshments were served by the hostesses.

Friday Social Circle Will Meet Today

The regular fortnightly meeting of the Friday Social Circle will be held this afternoon with Mrs. James Vail and Mrs. Claude Vail at their home 607 North Diamond street. Several guests have been invited and the afternoon will be spent sewing. There will be a social hour and refreshments after the work period.

Fortnightly Club Met

Mrs. J. A. Palmer of 1130 West Lafayette avenue was hostess to members of the Fortnightly club yesterday afternoon. Miss Bertha Mason had the paper of the afternoon, the topic of which was "Women in Science." After an informal discussion of the sub-

ject there was a pleasant social hour and refreshments were served.

Business and Professional Women's Club

Will meet Friday evening at eight o'clock at the Congregational church club rooms. Miss Mary Wadsworth of this city will speak on the subject of the "Professional Women of France" and base her statements on her experience in France during the World war. Miss Winifred Butcher of Chapin will sing a group of songs. Miss Betty Palmer of this city will give a solo dance. This is an open meeting of the club and members are urged to bring guests.

Mrs. Frank Hunter Hostess to Hebrew Helping Class

Mrs. Frank Hunter entertained the Helping Class of Hebrew church at her home Thursday, April 5. It was an all day meeting and the time was spent in quilting. At the noon hour a bountiful dinner was served. There was a good attendance of members and the guests included: Mrs. Robert Hopper, Mrs. Frank Green, Mrs. Will Cleary, Mrs. Walter Wheeler and daughter, Miss Lillian.

A fine program was given as follows:

Scripture reading—Mrs. Robert Hopper.

Paper, "The Risen Christ"—Mrs. Tom Fox.

Several numbers were played by the Victrola and were much enjoyed by all.

The next meeting will be held April 9th at the home of Mrs. Clyde Martin.

Passavant Aid Society Met Thursday

A large number of ladies met at Passavant hospital at 2 o'clock Thursday afternoon for the regular meeting of the Hospital Aid

society. The period until 4 o'clock was spent in work, the ladies marking and mending fifty articles during that time. A business session was held at 4 o'clock, presided over by Mrs. William Floerch, the president. At this session plans were made for the holding of a market on Saturday, May 19, at the Fanny Grocery store on West State street. Two new members were taken into the society at the meeting yesterday.

Unity Workers Elected Officers

The Unity Workers of Woodson Presbyterian church met yesterday afternoon with Mrs. A. E. Powell. A short program was given with Mrs. William Colton, vice president, in the chair. The chairman expressed appreciation for the co-operation of the members during the year just closed. It was the meeting for the election of officers and the following were chosen:

President—Mrs. J. W. Hoagland.

Vice president—Mrs. William Colton.

Second vice president—Mrs. James Baxter.

Treasurer—Miss Jane Irlam.

Secretary—Mrs. J. C. Colton.

Organist—Mrs. E. C. Cunningham.

Delicious refreshments were served by the hostesses, Mrs. Powell, Mrs. Gordon, Mrs. Dewart and Mrs. Quimby.

At Oak Lawn

The ex-service men at Oak Lawn sanitarium were entertained last evening with a musical program under the auspices of the Red Cross chapter. Violin selections were given by Miss Suzanne Rhehart, and Miss Alice Barwise played several piano numbers.

Amoma Bible Class Has Birthday Party

The Amoma Bible class of the First Baptist church held the regular monthly birthday social yesterday afternoon at the home of Mrs. W. H. Wiseman, 748 West North street. There was a large attendance of the members. Hostesses, whose birthdays came in the month of March, entertained the class; they were: Mrs. Wiseman, Mrs. M. M. Crum, Mrs. E. O. Hess, Mrs. Herman Shoemaker and Miss Anna Kirk.

The afternoon was spent in social conversation, games and music. The class enjoyed a box of fig candies sent from California by Mrs. E. O. Mayer, one of the members. The package was brought here by Mrs. C. H. Story who visited Mrs. Mayer while in the west.

Press Employees Meet at Dinner

The regular monthly dinner of the officials and employees of the Cleveland Press was held at the West room Thursday evening. Eighteen were present. A social time and an excellent dinner was enjoyed.

Missionary Society Met at Vasey Home

The Woman's Missionary society of Point church met yesterday afternoon at the home of Mrs. Grover Vasey west of the city. A program in celebration of the founding of the first woman's society and in memory of Mother's Day was given. The entire membership of the church had been invited, and there was a large attendance of members and guests.

Central Christian Church Society to Meet Today

The Woman's Missionary Society of Central Christian church will hold their regular meeting this afternoon in the church social rooms. Mrs. Nannie Rawlings will be the program leader for the afternoon, and the following numbers will be presented:

Talk—"The Benevolent Association of the Christian Church and its Work"—Mrs. Graff.

Paper—"Light at Eventide"—Mrs. W. T. Clarkson.

Paper—"Who Will Take

John?"—Miss Carrie Rataichak. It was from Texas home for Children—Mrs. O. C. Bolman. Paper—"The Laborer Worships of His Hire"—Mrs. M. A. Hink. During the afternoon the Dr. Shilton memorial certificates will be distributed. Instrumental music will be furnished by Mrs. Emma Taylor and Miss Henry, who is a guest at her home.

CHAPIN

Chapin, April 5.—Mrs. Charles Thompson was hostess to the M. P. church Ladies Aid society on Thursday afternoon. Eleven ladies were present and spent the afternoon making children's garments. During the business session ten dollars was given from the Aid treasury for benevolent purposes. It was also voted to omit the April 19th meeting. Delicious refreshments were served by the hostess and it is worthy of note that the beautiful china used was over a hundred years old, being handed down from one generation to another and coming originally from England.

The family of Glenn Kneeland are quarantined for measles; three children being ill.

Mrs. Burley Spirex who returned from Passavant Hospital Sunday is slowly convalescing.

Mrs. E. H. Nienhauser entertained a company of friends at a buffet supper Thursday evening in honor of Mr. Nienhauser's birthday.

C. OF C. DIRECTORS IN WEEKLY SESSION

The Chamber of Commerce directors held a regular meeting Thursday night subsequent to the conference held at Centenary church with reference to the bi-centennial educational drive. President R. V. Rowe presided. Most of the business transacted was routine in character. Various details of the Spanish-American war veterans convention to be held here in June was discussed with the view of the chamber of commerce lending every possible assistance to make the convention a success.

As already indicated, the new soldiers' hospital building at Jacksonville State hospital is to be dedicated with imposing ceremonies during the convention. Secretary Welch presented some facts relative to a few delinquent memberships and following discussion of this subject and the general finances of the organization, adjournment was taken.

A partition suit was filed Thursday in the office of Circuit Clerk Wannamaker, with Mrs. Mary E. Mason as the complainant. The defendant is Mrs. Hattie Wooster Scooby and it is sought to partition property described as lot 1, block 16 in Church hill addition, which is a part of the estate of the late David R. Wooster.

STUDENTS TURN DOWN FACULTY RESOLUTION

Plan to Give Students of Illinois College Credit for Athletics and Other Outside Work Is Not Favored—Plan as Many Advantages

Illinois college students at a meeting Thursday morning disapproved a resolution presented by a faculty committee, which proposed the giving of honor points for students participation in outside activities. The plan is being used in several colleges, and has as its object the protection of students who have unusual ability and are forced into more activities than they can carry, and at the same time the plan encourages the entrance of all students into some work, other than the regular studies.

Under the plan the student activities would be of two classes, major and minor. Athletics in all branches would be classed as a major activity. A maximum number of points would be given students participating in these major interests. Other outside interests are placed in the minor class and carry a less number of points. The maximum number of points a student can have for outside work is fixed, and he is thus prevented from giving all his time to outside interests to the exclusion of his studies.

The plan, however, has not yet been adopted by the faculty, and the resolution offered to the student body yesterday morning was only for the purpose of ascertaining student sentiment on the subject. Only a small proportion of the student body attended the meeting, and the expression was not a fair indication of the general sentiment.

The reasons offered by the students for rejecting the plan stated that students would be forced to go out for activities to which they were not inclined, in order to gain points. It was also declared that the plan had not been successful in other schools.

WOODSON MISSIONARY SOCIETY HAD MEETING

Mrs. J. T. Self was the program leader at the regular monthly meeting of the Missionary society of Woodson Christian church held Thursday afternoon at the home of Mrs. George Newman, St. Some changes in the program were necessary, as some of those who were to take part were unable to be present. However, there was an informal program with discussion of the lesson topic in which various ones took part. A duet by Mrs. Ezard and Mrs. J. H. Shirley was a pleasing feature.

P. T. A. OF DAVID PRINCE IN MEETING TONIGHT

David Prince Junior High Parent-Teacher Association to Have Program, Followed by Championship Basketball Game

A great deal of interest attaches to the meeting of the Parent-Teacher association of the David Prince Junior High school, which will be held this evening at 7:30 o'clock at the school. The program of the evening will include an address by Miss Anne Stevenson of the David Prince faculty, whose theme will be "Vocational Guidance." Mrs. W. S. Jones, the president of the association, will preside tonight.

The program will also include violin numbers by Miss Christine Cotner and a reading by Miss Margaret Kessler, both of these young women being from Illinois Woman's college.

The pupils of the David Prince have been invited to attend the meeting tonight and there will probably also be a large number of the parents in attendance. For some time past there has been keen rivalry between the pupils of the seventh and eighth grades in securing the attendance of the parents at the association meetings.

A picture has been offered by the Parent-Teacher association to the grade which makes the best shaving in the matter of attendance of parents. This picture, a beautiful copy of "Corot's Spring," has been in possession of the eighth grade since the last P. T. A. meeting, and the seventh grade pupils are determined that the picture will be theirs following tonight's meeting. The attendance of each mother counts one and each father two. Following the program tonight adjournment will be taken to the gym, where the finals are to be played in a basketball tournament put on by the school. Section 10 of the seventh grade are the champions of that grade, while section 6 of the 8th grade has the championship for that grade. The game tonight will decide the championship of the school. The boys and girls of David Prince are keenly interested in the contest and the game tonight promises to be a lively affair. The yell leaders have been practicing for a number of days and will be on hand tonight with some good ones. Altogether the evening promises to be full of interest for the pupils, their teachers and parents.

ALEXANDER ALTAR SOCIETY MEETS

Mrs. F. J. Kaiser Is Hostess to Members of Altar Society Thursday Afternoon—Other News Notes

Alexander, April 5.—The regular monthly meeting of the Altar society of the Alexander Catholic church was held Thursday afternoon at the home of Mrs. F. J. Kaiser. The assistant hostesses of the afternoon were Mrs. William Berchold, Mrs. Stephen Berchold, Mrs. Joseph Bergschneider, and Miss Elizabeth Bergschneider. A brief business session was held, after which came a very pleasant social hour and the serving of refreshments by the hostesses.

News Notes
Mrs. Henry Strawn and Mrs. Charles Corrington of Jacksonville spent Thursday at the home of Mrs. C. M. Strawn in Alexander. Florence Schott, daughter of Dr. and Mrs. W. H. Schott, was operated on at St. John's hospital in Springfield Wednesday and on Thursday was in a serious condition. Dr. and Mrs. Schott are in Springfield because of the condition of the little girl.

WILL RAISE FUNDS FOR M. E. INSTITUTIONS

Dr. Hancher and Other Representatives of Department of Finance Here for Conference with Ministers and Laymen—Local Goal for Woman's College May Be \$100,000

The preliminary district meeting in the bi-conference movement to raise \$1,250,000 for Methodist education was held here yesterday. There was practically a hundred per cent attendance of pastors in the district, and the entire situation was canvassed by the party from the National Council of Finance of the Board of Education.

The meeting opened with the chapel exercises at the Woman's college. Dr. Hancher, Miss Willard, Dr. Terry, Dr. Chassel and Dr. Shaw, all made brief talks to the students at this time. The visitors then adjourned to Centenary church, where Dr. Hancher made an address on prayer as an instrument in the coming campaign.

Following the noon luncheon, which was served by the ladies of the church the entire problem of the coming campaign was discussed. The other points in the program, publicity and organization, were given thorough explanation by the members of the finance staff. This was followed by an informal discussion and a mock canvass of a supposed wealthy banker, Dr. Hancher taking the part of the banker, and Dr. E. L. Fletcher acting as the pastor making the canvass.

Evening Conference
At 6 o'clock in the evening members of the financial staff local members of the board of trustees and conference visitors of the Woman's college, together with directors of the chamber of commerce, met for luncheon at Centenary church. Afterward an informal conference of the company was held with Mayor E. E. Crabtree, a trustee of the college, presiding.

Dr. Hancher made it plain that the representatives of the council of finance had come to Jacksonville merely to go over the whole situation and to be of any possible aid in outlining and carrying forward the campaign. He made it plain that neither he nor any of his aides had come with the idea of telling just how the campaign should be carried forward, nor to indicate the amount which the people of Jacksonville and vicinity should reasonably be expected to contribute.

He said that after the plan had been fully outlined and the amount fixed that then he and his associates were ready to enter heartily into the campaign, co-operating to the best of their ability with the local people.

The speaker also laid emphasis upon the fact that any action taken at the meeting was merely by way of approval or suggestion and was not in any sense official.

Suggest Local Goal
Practically every person present took some part in the discussion and at the conclusion a motion was made and carried to the effect that it was the sense of the group present that the trustees of the college will take desirable action if with the co-operating of the chamber of commerce, a plan of campaign is outlined with the goal of contributions totaling \$100,000 from the people of Jacksonville and vicinity. If action is later taken for the purpose of raising this sum it will mean that the people of this city and locality will be asked to contribute to the college \$1 for each \$5 brought in from other sources.

It was pointed out that the money raised here will be payable in installments during the course of the next two years, and will make possible the erection of a science building, with an attendance increase in the number of students of at least 50.

THREE ARE GIVEN RANK OF ESQUIRE

SPANISH CLUB HELD MEETING

The Spanish Club met Thursday evening at the home of Miss Margaret Johnson on Grove street. Mr. Adkins read an essay on India. After the presentation of this subject a delightful hour was spent in playing Spanish games. Still later a musical program was given of Spanish songs, including the national anthems. Refreshments were served by the hostess.

NATIONAL COMMANDER TO BE AT ECAMPMENT

A. A. P. Entenza of San Francisco Will Be Here—Department Commander Holslag Conferred with Col. O. C. Smith Yesterday

National Commander-in-Chief A. A. P. Entenza of San Francisco, California will attend the convention of the United Spanish-American War Veterans to be held in this city June 14, 15 and 16, according to an announcement made yesterday by John F. Holslag, commander of the state of Illinois.

Commander Holslag was here yesterday and held a conference with Colonel O. C. Smith, managing officer of the Illinois School for Deaf, who is in charge of the arrangements for the convention.

Commander Holslag said that he had received word that National Commander Entenza was coming east in June to attend a meeting of the directors of Mooseheart, the orphan home established by the Loyal Order of Moose at Mooseheart, Illinois. Commander Entenza said that the meeting had been so arranged that he would be able to attend the convention in Jacksonville after the Mooseheart conference.

Commander Holslag yesterday went over the details of the convention with Colonel Smith and was well satisfied with the preliminary work. He said that the election of the School for the Deaf as headquarters was ideal. It is the intention of Colonel Smith to house and feed a part of the delegates at the local school.

Last year at Aurora there were 1,500 voting delegates at the veterans' convention. Several of the members brought their families with them and the total number attending the convention was about 3,000. It is thought that with the joint jubilee here this year this number will be greatly increased.

Expect Large Crowd

John J. Garrity, past department commander of the United Spanish-American War Veterans, who was at one time chief of police of Chicago, and Judge Marcus Kavanaugh, of Chicago, who is very active in the organization have sent word that they will attend the convention here.

The convention here while being the regular annual meeting of the Spanish war veterans, will also be the 25th or silver anniversary of the organization. There will be a special program during the convention celebrating this event.

Commander Holslag said yesterday that the history of the Spanish-American War had been neglected. He thought that more should be taught the younger generation about this war.

He said that he had made the suggestion to several Illinois members of congress that they take active steps to change the name of the Philippine island to "McKinley Island" in honor of the war president. He also said that the Panama Canal, which was built thru the efforts of Theodore Roosevelt, should be named in Roosevelt's honor.

Commander Holslag spent the entire day yesterday going over convention plans with the various organizations that will participate in the three day jubilee. He believes the Jacksonville convention will be a record breaker as the organization has made rapid strides during the past year.

BAKING CONTEST IS GREAT SUCCESS

Judging from the number of entries in the Enterprise flour bread baking contest, great interest has been shown by the ladies of Jacksonville and surrounding territory.

There is a fine exhibit of home baked bread on display at the H. and H. house furnishing store (formerly Johnson, Hackett & Guthrie.) Such a display is proof of what housewives in and around Jacksonville can bake in the way of good things to eat for their families and the manufacturers of Enterprise are to be complimented on this demonstration.

The scoring of the bread will take place around 2:30 p. m., Friday and the winners will be announced at that time. Angel food cakes made of Enterprise and ice cream will be served free to those attending the contest.

After awarding prizes, which range from one barrel of Enterprise flour for first to a five pound sack for 21st. The bread will be donated to the Salvation Army and the Social Service League for distribution among the needy.

SALEM LADIES AID SOCIETY HAD MEETING

Mrs. Henry Morthole Is Hostess to Aid Society Members Thursday Afternoon

The Ladies' Aid society of Salem M. E. church held a regular monthly session Thursday afternoon at the home of Mrs. Henry Morthole, two and a half miles east of the city. The meeting was quite largely attended and an interesting program carried out.

Mrs. Frank Green, the president was unable to be present and Mrs. Edward Phillips, the vice president, acted in her stead. The secretary and treasurer made their reports, showing the various activities of the society in past months.

The opening prayer was by Mrs. William Ledford. Papers were presented by Mrs. Hazel Thompson and Mrs. Clara Thompson. The former's subject was "Manners and Customs of Bible Times," while the other paper treated of "Women of the Bible." The program came to a close with the repeating of the Lord's Prayer in unison.

During the social hour which followed the program the hostess served dainty refreshments.

The society's next meeting will be on Thursday, May 3, at the home of Mrs. Harry Thompson.

Byron Graff of Springfield came to the city yesterday for a brief visit with his parents, Mr. and Mrs. Grant Graff on Diamond Court.

LINCOLN SERVICE

The satisfaction to be derived from the operation of an automobile is in direct proportion to its quality, the facilities provided for its maintenance and the care which it receives. Only when these elements are well balanced does the purchase of a motor car become a good investment.

Lincoln owners know that Lincoln cars in ordinary usage demand little attention other than the replenishment of gasoline, oil and water. That is because the service requirements of motor cars are in inverse ratio to the quality and character built into them by the manufacturers.

Periodic inspection, proper lubrication and minor adjustments, when necessary, are essential to the proper and prolonged functioning of any piece of machinery. With quality as a prime factor, it is the secret of economical and dependable transportation.

To insure the operation of Lincoln cars as a source of uninterrupted satisfaction and enjoyment, through the medium of adequate and convenient service facilities, it is the purpose of the Ford Motor Company that its entire dealer organization be equipped to render efficient and intelligent service to Lincoln owners.

Thousands of Ford Dealers in the United States are being equipped with specially trained Lincoln men, competent to make minor adjustments and of providing for ordinary service requirements.

Under this arrangement, a Lincoln owner, whether touring a continent or crossing his own city, may with confidence enter a Ford Dealer's place of business and be assured of prompt, courteous and intelligent treatment by an organization with a personal interest in his welfare.

It is not intended, or necessary, that all Ford Dealers be equipped to do major repair work or overhauling on Lincoln cars. Adequate provision is made, however, whereby such work will be done in each territory, when necessary, by dealers who are especially equipped to render high grade service in keeping with the character of the product.

We believe that the Lincoln will run farther and require less mechanical attention than any other car in the world. It is significant and a matter of utmost importance to prospective owners of quality cars that the incomparable, world-wide facilities of the Ford Motor Company should make the ownership of a Lincoln even more desirable than ever before.

TELEGRAPHERS BANK WILL OPEN IN JUNE

ST. LOUIS, Mo.—The Telegraphers National Bank which probably will open here about June 1, will be conducted along the lines of the Locomotive Engineers' Cooperative National Bank of Cleveland, according to E. J. Manion, president of the Order of Railroad Telegraphers, who will head the new institution.

Organization of the bank, which will have a capital stock of \$500,000 and a \$100,000 surplus, was authorized at a session of the grand division of the railroad telegraphers' union at Savannah, Ga., in May, 1921. The capital and surplus has been subscribed, Mr. Manion stated, and the majority of it by members of the union.

Although the bank will be controlled by the union, no distinction is to be made in the list of depositors. The accounts of all persons will be solicited. L. J. Ross, grand secretary and treasurer of the union, will be a vice-president and cashier.

Under the by-laws as adopted by the board of directors, a limit of 10 per cent has been placed upon the dividends to be declared. Earnings above this, Mr. Manion says, will go either to the surplus or be divided among the depositors as a bonus.

The directors will be: E. J. Manion, L. J. Ross, G. E. Soyter, G. E. Joslin, N. S. Morgan, Dr. S. A. Peake, Albert Von Hoffman and W. S. Campbell, all of St. Louis; B. E. Nason of St. Paul; J. F. Miller of Baltimore; H. G. Alexander of Greensboro, N. C.; and J. G. Campbell of Rolla, Mo. Mr. Von Hoffman also will be a vice-president.

The bank will become a member of the Federal Reserve System.

COMPLETE PLANS FOR COUNTY CONFERENCE

Young People Meet Thursday Night and Make Final Arrangements—Last Rally at Litterberry Sunday Afternoon.

Thirty-five officers and members of committees of the organization that is working up the Older Boys' and Girls' conference to be held here April 14 and 15 met last night at the public library to make final plans for the big event. Some minor changes were made in the program, ushers were appointed, and arrangements were made for the banquet, which will be held Saturday evening April 14, at Central Christian church.

The banquet will be served by the ladies of the church. George Wetzel will be the toastmaster. The conference committee adopted a number of suggestions, which were printed on the official program and mailed to Sunday schools throughout the county yesterday.

Next Sunday afternoon the final pre-conference rally will be held at the Christian church at Litterberry. Local citizens are asked to furnish cars for the young people who wish to attend the rally and aid in the program. The delegation will leave the Central Christian church at 1:15 o'clock. Following the conference, it is intended to hold miniature conferences in all Sunday schools that have not been reached in the rallies. Groups of young people who attend the main conference will put on these programs in the churches of the county. Following are the suggestions announced on the programs sent out yesterday:

It is important that all who will attend the conference send their registration cards and fee of 75 cents to Mr. Clarence Wilson, conference secretary, 633 East Morton Avenue, Jacksonville. They should be in no later than Wednesday, April 11th. This is necessary in order that

ample preparations may be made, especially for the banquet.

The conference is for Sunday school pupils between the ages of 14 to 24 years. Every class in Morgan county whose members are in these ages is urged to send as many delegates as possible.

The conference is a Young People's Conference and not a general convention where anyone can come and go as they please. It is a conference for business, and all who attend should be there for the opening session and be at every one until the close. The whole program is so closely related that break anywhere is liable to spoil the effect of the entire conference.

All teachers of classes of these ages, Young People's leaders, Young People's superintendents, of all precinct and county Sunday school associations and every county officer is urged to attend. All these must register and pay the registration fee of 75 cents. This gives them the badge, a place at the banquet table and all the privileges of the conference.

Pencils and note books should be brought by all who attend. Suggestions for the service and program of the class, the school and the community will be given

at every session. Good notes taken during the conference will materially help putting these ideas into use.

RECOMMENDS THE RAISING OF ASPARAGUS

URBANA.—(By A. P.)—The gardener who desires an everbearing vegetable, immune from late spring frosts and droughts of summer, and which yields a daily harvest for six weeks, should cultivate the asparagus, described by the agricultural college as the 100 per cent vegetable crop.

Asparagus will come up year after year without planting, and after its harvest period becomes a gracefully plumed ornamental rather than the desolate, overgrown ugly plant usually left when most vegetables have distributed their wares it is pointed out. Roots planted early in the spring, with crowns six inches below the surface but with only two inches of soil placed over the roots at this time, can be harvested three years later. After growth commences the furrows are filled in until by the end of the season the roots are fully recovered.

Regular use of manure, disk and hoe in the growing season is a requisite to successful production.

The Boone county system of cow testing is meeting with great

success, according to J. C. Kline, county extension agent. The farm bureau has installed a 24-bottle electric machine which tests the records regularly of the 119 herds in the cow testing association. Members send in their bottles by parcel post, ninety-eight getting their milk in on time last month. Five and six herds are tested daily. Twelve farmers are on the waiting list and, Mr. Kline says, a second association is planned this spring.

Feeding the balanced ration recommended by the farm bureau in Warren county increased the profits of four cows in a member's herd \$19.03 per month, advises A. A. Olsen, extension agent.

P. E. Johnston, extension agent in Woodford county, is stimulating boys' and girls' club work. A poultry project already is under way by a number of girls, while clothing clubs and household science clubs are in process of organization.

ILLINOIS' HUMANITY OF AIR IS ARRIVING

URBANA.—Illinois' humanity of the air, at the beckoning of spring, have started their seasonal pilgrimage with kinfolks of the earth, 852 of them to each square mile of the state's population. In pastures, orchards, yards and gardens spring's annual song will gain in crescendo from the throats of more than a hundred different species of birds.

For there are 125 varieties in Illinois, according to Prof. Stephen A. Forbes of the Natural History Survey of the University of Illinois, eleven species of which are so abundant as to make up seventy-four per cent of the total number of birds seen during the survey.

The survey has identified 25,728 birds belonging to these 125 species over an area comprising 19,318 acres. It was found there were 852 birds per square mile for the state as an average, identified in meadows, pastures, swamps, aste and fallow, grain fields, stubble, plowed ground, woods, orchards, shrubbery, yards and gardens.

"In pastures, orchards, yards and gardens many of our birds have found situations more favorable to their maintenance and multiplication than their original habitats, and less favorable in the vast areas devoted to the cereal crops," Prof. Forbes said. "While certain species have suffered heavily, in some cases nearly to extermination, others have greatly increased in numbers, the numerical make-up of the bird population having shifted its balance in response to an increase of some resources and a diminution of others."

"We have concluded that the remaining birds of the Illinois wilderness have adapted themselves to civilization, and especially to agriculture and horticulture, not so much as a change of choice or of habits, as by searching out under the new conditions the places which most nearly resemble their original nesting sites."

ALIENS BECOME CITIZENS WITH LABOR BUREAU AID

WASHINGTON.—More than 1,500,000 aliens eligible for American naturalization already have been directed to citizenship training classes established by local school authorities throughout the United States in cooperation with the Bureau of Naturalization of the Department of Labor. The classes are conducted at night, and enable the aliens not only to obtain free the educational training necessary for approval of their citizenship petitions, but also to get information that will lead them to better jobs, higher pay and improved living conditions.

The Bureau has established a service through which candidates for citizenship are invited to attend the classes provided by local authorities for their instruction, and their names and addresses also are forwarded to the public school officials. The number of foreign residents thus reached, it is said, is necessarily limited to those who have declared their intention to become citizens, since the Labor Department lacks the names and addresses of those who have not filed petitions. It is believed, nevertheless, that free instruction facilities have been made available to many others through measures taken by local Americanization organizations. Boy Association chapters of the Daughters of the American Revolution, and other patriotic and civic societies.

Cards giving the records of the aliens attending the classes, bureau officials declare, add to the value of the work from a public viewpoint in that they give a basis for complete community surveys to determine needs in Americanization work. The bureau receives almost daily letters from candidates for citizenship and Americanization workers praising the service, and also a number of reports on the work of aliens taking advantage of the courses. Some of these reports, it is said, show the progress made by candidates over 60 years of age who had resided in this country many years without taking steps to become citizens.

CRYSTAL RADIO SETS DEFECT AT 1,000 MILES

CHICAGO.—(By The A. P.)—Many records of long distance reception of music from radio-phone broadcasting stations by receiving sets using a crystal detector, have been made during the past winter, according to reports compiled here by an interested radio amateur. While radio experts say such reception is not considered very difficult, it is accomplished only at night and with the weather conditions ideal.

The 'crystal' receiving set, it was explained, requires no batteries for its operation and very few instruments. The crystal detector itself is a simple device, using a small piece of galena crystal—lead ore—to change the radio signal picked up by the aerial or antenna into recognizable sounds. The crystal is fastened in a holder, and so arranged as to be in contact with a fine copper wire which is adjustable over any part of its surface.

Some amateurs have reported receiving broadcasting stations as far away as 1,000 miles, while others say that they have heard stations 300 miles or less from their listening post.

Such long distance reception, radio experts have explained, is

done by the crystal set, alone and without any outside assistance from a neighboring set that uses an audion tube as a detector.

"Due to the reports of long distance receiving with the crystal," one radio amateur said, "many anxious listeners have sought to learn how it is accomplished. While I cannot point to any one type of set that will do the work, I can say that only close adjustments of the variable instruments with perfect weather conditions and the proper aerial, will bring in the far-away station. However, several receiver plans—hookups, in the language of the radio fan—have been offered as solving the problem, but even some amateurs in this city have been able to receive Schenectady, N. Y., without any special apparatus."

There will be a meeting of Modern Woodmen Camp No. 132 on Friday evening at 7:30.

MORE THRILLING than a Jules Verne romance were the adventures of Warrant Officer H. B. Smith on the famous Sub Chaser "Seneca," which left him almost a physical wreck. He gives Tanlac full credit for complete restoration.

HUGH B. SMITH

The many deeds of daring and heroism—thrilling rescues and hair-raising U-boat attacks—in which the U. S. submarine chaser, Seneca, participated from the Mediterranean to the North sea, furnishes one of the most interesting chapters of the entire World War.

The price that Hugh B. Smith, warrant officer on the Seneca, paid for his gallant part in these hazardous encounters, was a nervous system so shattered that he broke down completely.

"What I saw and went through," said Mr. Smith, "would leave its mark on any man. For two full years my nerves were at high tension all the time.

"When I got back to God's country, the reaction set in and I broke down completely. I was terribly nervous and irritable, had no appetite, and could not

sleep except when exhausted. I was also about fifteen pounds under weight, all of which made me realize something must be done.

"I resigned from the Navy but soon found out new environment and duties made no improvement in my physical condition.

"Finally a friend persuaded me to try Tanlac and after taking six or eight bottles of Tanlac I had gained fifteen pounds, and felt completely recovered.

"Tanlac was a life-saver to me, and I heartily endorse it."

Mr. Smith is branch manager for the Singer Sewing Machine Co., at 361 Flatbush Ave., Brooklyn, N. Y., and resides at 435 Westerville Ave., Staten Island.

EAGLES SUPPORT OLD AGE PENSION MEASURE

Members of Illinois to Urge Passage of Measure by Legislature—F. U. Correa One of Members of Committee to Visit Springfield.

Frank U. Correa, worthy Past State President of the Fraternal Order of Eagles of Illinois is a member of a committee of prominent officials of the order which will visit Springfield Wednesday April 11, to urge the passage of the old age pension bill.

For several years members of the order thruout the United States has been working on this proposal and now hope for the ultimate success of their endeavors. The proposal is being presented to the state legislatures of their various states. It provides for an old pension bill for all workers, male or female over 60 years of age.

The membership of the order in Illinois, 22,000 strong, is a unit behind the bill now before the legislature. The personnel of the committee which will visit Springfield follows:

Worthy State President Toby of Peoria, State Secretary Frank Whick of Rock Island and the following past state presidents, Walter Coback, Alton, C. H. Turner, Galesburg, Frank Gustafson, Moline, L. D. Wells, Peoria, Frank U. Correa, Jacksonville, Emil Johnson, Moline, Frank Sullivan, Chicago, William Corbett, Wilmington, John Gulk, Moline, M. J. McCabe, Springfield, Charles Harris, Chicago.

LOCAL MAN TO LOOK FOR OIL IN EUROPE

William George Leaving Saturday For Old World to be Geologist For Standard Oil Company—Visited Parents in This City.

William George, a son of Mr. and Mrs. W. D. George of this city, expects to sail Saturday for Europe, where he will remain indefinitely as a geologist in the employ of the Standard Oil Co. (Mr. George has been with the company since his graduation from the university several years ago, and has risen rapidly in the ranks of its employees.

Mr. George went thru Whipple Academy in this city, and spent a year as a student at Illinois College. He then went to the university where he graduated later entering the services of the Standard Oil Co. His work in Europe is expected to be of great importance to the company, as he will no doubt prospect for oil in the old world.

Mr. George stopped in this city recently for a few days to visit his parents, before starting on his long trip. He may not return to America for some years. He has not lived in this city since beginning work with the Standard Oil Co.

Instant relief from CORNS without risk of infection

Safe! You can end the pain of corns in one minute. Dr. Scholl's Zino-pads will do it. Let them remove the cause—their pressure, and heal the irritation. They are all infection-free—contain no corrosive or irritating acids. They are waterproof. They are soft, pliable, and comfortable. Get a box today at your druggist or shoe dealer.

Dr Scholl's Zino-pads

Made in the laboratories of The Scholl Mfg. Co., makers of Dr. Scholl's Foot Comfort Appliances, Jackson, Michigan.

Put one on—the pain is gone!

Now, a Quick Quaker Oats

Cooks in 3 to 5 minutes
The quickest cooking oats in the world

Now your grocer has Quaker Oats in two styles. One the kind you have always known—the other is Quick Quaker.

Quick Quaker cooks in from 3 to 5 minutes. And it cooks to perfection. So it is almost like a ready-cooked dish.

No other oat flakes on the market cook anywhere near so quickly. The two styles are identical in quality and flavor. Both are flaked from the finest grains only—just the rich, plump, flaky oats. A bushel of choice oats yields but ten pounds of these delicious flakes.

But in Quick Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And those small, thin flakes cook quickly.

Ask for Quick Quaker if you want this style. Your grocer has both. But always get Quaker Oats for their delightful flavor.

DR. EDWARD CAPPS IS VISITOR HERE

Dr. Edward Capps of Princeton, who spent several days during the past week in this city, left Wednesday evening for Chicago on his way home. Dr. Capps stopped in this city on his return from attending the convention of the Mid-Western Classical Association at Columbia, Mo.

While in this city Dr. Capps addressed the students of the high school at assembly, giving an explanation of the Balkan situation at the present time. He also made an argument for the study of the classics in the high school, giving the students a summary of the requirements for entrance in eastern universities.

Market Report

CASH WHEAT CLOSES HIGHER

CHICAGO, April 5.—Prices for cash wheat closed 1c higher. Premiums and discounts were unchanged on all but hard grades which were unchanged to 1c higher. Cash sales here were 64,000 bushels. Sales of 5,000 bushels were made to go to store here. Corn closed 1/4c higher in price.

Trading bases were unchanged to 1c higher on contract grades. Cash sales here were 179,000 bushels, including 40,000 bushels to exporters.

Oats closed 1c higher in price and unchanged on No. 2 white, premiums with No. 3 white unchanged to 1c better. Cash sales here were 95,000 bushels.

Corn inspected: Wheat 24,000; oats 80.

TRADING IN BUTTER NOT ACTIVE THURSDAY

CHICAGO, April 5.—More in-
quiry with somewhat higher
stocks in today's butter market
caused a slightly steadier feeling
but most of the inquiry was at
prices considerably below sellers
ideas of value.

As a result trading was most
active. Most dealers remained
free sellers and quite a few were
willing to give concessions, par-
ticularly on butter scoring more
than 89. Supplies on the car
market were moderate and fairly
firmly held. No particular demand
for 90 score was noticed but
there was some inquiry for 89
score of which there was little.

Fresh butter: 92 score 48 1/2; 91
score 48; 90 score 47 1/2; 89 score
47; 88 score 46 1/2; 87 score 46.

Centralized carlots: 90 score
47 1/2; 89 score 47 1/4.

ACTIVE EXPORT BOOSTS WHEAT

CHICAGO, April 5.—Active ex-
port business that included the
largest amount of Durum which Eu-
rope has bought in a long while
kave the price of wheat today a
material upturn. The market
closed firm, 1 1/2 to 1 1/4 higher
with May \$1.21 1/2 to \$1.23 1/2 and
July \$1.18 1/2 to \$1.18 3/4. Corn
gained 1/4 to 3/8, and oats 1/4 to 1/2.
In provisions the outcome varied
from unchanged figures to 10c
lower.

Besides the liberal volume of
new purchasing for Europe to-
day, estimated at 1,250,000 bushels,
revised figures indicated that
yesterday the amount of wheat
bought for trans-Atlantic ship-
ment was fully 2,500,000 bush-
els. It was said the total includ-
ing 700,000 bushels Durum today.

Continued need of rain in west-
ern Kansas tended further to
strengthen values, and so too did
lack of crop damage by green
haze in Oklahoma.

Special notice was taken of a
report from one of the most ex-
perienced crop experts in the
outlook for wheat in Western
Kansas was the worst he had
ever seen.

Until near the end of the day,
however, speculative dealings
were slow and prices held within
narrow limits.

Withstanding determined
opposition, bulls succeeded in
forcing the corn market to about
7 1/2c for the May delivery. Estima-
tes that export sales of corn
totalled 750,000 bushels were a
factor in helping the lift prices.

Oats followed corn and wheat
upgrades.

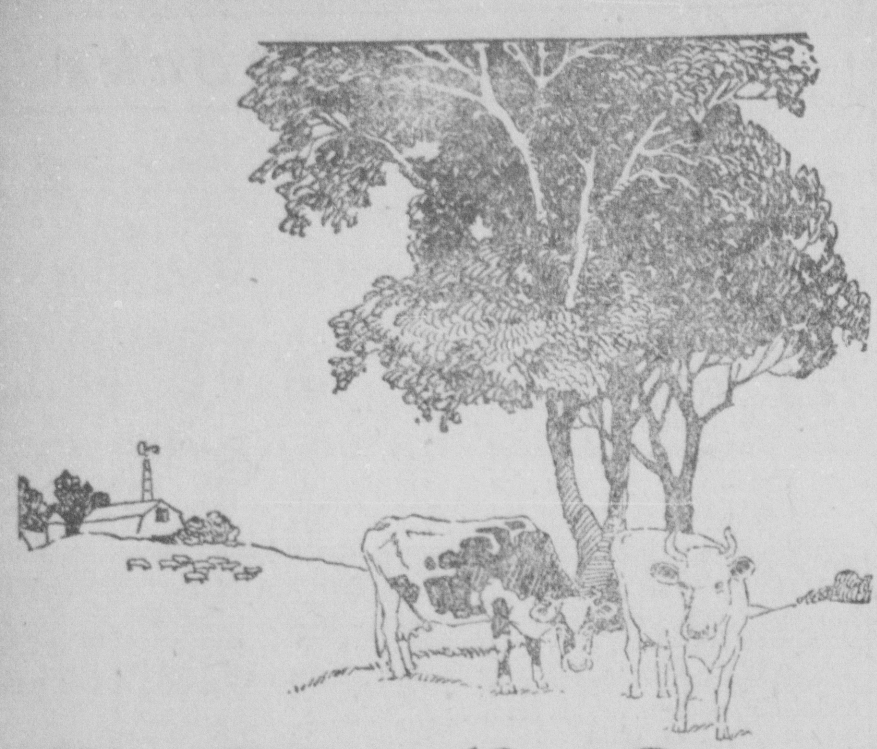

Provisions averaged higher
with hogs but finally became weak
as a result of packers' hedging.

—that is the outstanding characteristic of Carnation Milk. For it is simply whole cows' milk with about 60% of the water removed by evaporation. It is then hermetically sealed in its convenient containers and sterilized.

whole

milk, as a complete food, has no rival in all nature. And that is what Carnation is, minus only about 60% of the water content. When you serve Carnation for drinking, simply add one and a half to two parts of water. Children thrive on it.

Use Carnation for every purpose for which you now use milk—for breakfast, luncheon, dinner, and between meals—for cooking, baking and desserts.

Why not try it today? Grocers everywhere sell Carnation

- CREAM OF POTATO SOUP
2 potatoes, 2 tbsp. flour, 2 tbsp. butter, 1 tsp. salt, 3 cups water, 1 tsp. parsley, 1 cup Carnation Milk.
- Cut potatoes in cubes and cook until soft in boiling salt water. Beat with fork in water in which potatoes were cooked. Melt butter; add flour; then milk diluted with water, and cook for five minutes. Add parsley. Combine with potatoes. This recipe serves six people.
- MEAT PIE
1 1/2 lbs. beef, 1 cup of potatoes, 1/2 cup carrots, salt, pepper, slice onion.
- Cut meat which has been left until soft in cold broiled steak into one-half inch cubes, cook vegetables, make sauce by browning onion in fat, thicken with flour, add seasoning and hot stock or water. Mix meat, vegetables and sauce. Add potatoes and pour mixture into buttered baking dish. Cover with crust rolled one-eighth inch thick and bake 15 to 20 minutes. This recipe serves six people.
- For Cover
1 cup flour, 2 tsp. baking powder.

BILL WOULD CHANGE PETIT JURY SYSTEM

Members Would Be Allowed to Designate Terms It Would Be Most Convenient to Serve

SPRINGFIELD, Ill.—A method of permitting prospective jurors to designate the terms of court when it would be most convenient for them to serve is devised in a bill introduced in the legislature by Representative William G. Thon of Chicago. The measure applies only to Cook county but if successful, the idea may be adopted by other counties.

The measure is backed by the Industrial Club of Chicago, which instituted an investigation of jury systems in this country and England.

The existing law requires the jury commission to prepare a list of all electors in Cook county every four years, which shall be known as the jury list. This was proved practically impossible in administration, because of the large number of electors in the county.

Under the proposed act the jury list would consist of not less than ten per cent of the electors of the county. In 1920 the total vote for Cook county was \$92,837. The pending act therefore would require a jury list of 89,283 electors, not less than 8,000 to be maintained in the main jury box and any given term box at all drawings.

Present electors are summoned at any time and many have been required to serve notwithstanding such service meant a financial loss. The proposed act seeks to remedy this condition by providing that the jury commission may send questionnaires to prospective electors who are authorized to designate two or more terms of court when it will be most convenient for them to serve. The jury commission would be required to place their names in the jury boxes for one of those terms unless it becomes necessary to call them at other times. The commission and its employees are prohibited from giving information to anyone regarding the names in any box.

In the ten years and ten months ending November 1, 1922, the commission called 429,579 electors of whom 187,591 served as jurors. There were excused, during the same period, 149,550 or 34.8 per cent.

ROUNDING OUT HALF CENTURY OF SERVICE

WHEATON—(By A. P.)—The oldest college president in Illinois in time of actual service is said to be Charles A. Blanchard, head of Wheaton college, twenty-five miles west of Chicago. President Blanchard this spring is rounding out half a century of service at Wheaton. He has been president forty years, and for ten years prior to assuming the presidency was a professor under his father, the late Jonathan Blanchard.

Wheaton has two other distinctions. It is one of the few colleges, if not the only one in the state, that prohibits dancing, and it is perhaps the only college that does not permit believers in the evolutionary theory of life on its faculty.

Mrs. Agnes Karns Randle, (above) and her husband, Captain Edwin H. Randle (below).

President Blanchard, there is one book found in all classes, taking precedence over other books. It is the Bible. While non-sectarian, the college grounds its instruction in Christian principles.

Chief among the pleasures of his connection with the college life in Illinois has been association with "the many good men and women in the colleges of our state," President Blanchard said.

"Prior to coming to Wheaton," Dr. Blanchard said, in giving his recollections of the growth of Illinois colleges, "my father, President Jonathan Blanchard, had been for about fourteen years president of Knox college. When he came to it, it was in debt and without resources. When he left it in 1860, the debts had been paid and the property of the college was worth approximately \$500,000.

When a college has made a solid but not a rapid growth, it has increased steadily in means and in student population and is now better provided with building and endowments that it ever was before. The spiritual and intellectual life of the college also is increasingly powerful, perhaps stronger than it has ever been before. In a general way I know that the Illinois colleges are at the present time in most ways stronger and more effective than ever heretofore, as it should be."
